Department inquiries: None

New Business: Director Mueller advised the board that we are down several dispatchers right now. Chris Martin stepped down from Central Manager voluntary to Lead Supervisor which is replacing Jimmy Lee who isn't retiring till January but is taking comp time the next couple of months. We have two new trainees on the floor and hoping to get a few more hired soon but it is always a couple year process till they are on their own on the floor. Lastly, we are looking at doing an IGA with Logan County, so they can use our Tyler.

Old Business: Mueller advised that the CAD upgrade went smoothly for the most part. He said to let him know if anyone notices any bugs. Campbell and Masterhan spoke up and stated the font size is too small and hard to read. Mueller also mentioned that text 911 is still in the works and hopefully up and running in 2021.
